Subject: Final Draft of Deschutes

Hi Miranda,

I can't remember if you are you in the office this week, but I was wondering if you could send me a copy of the final version of Deschutes. Aside from the court judgement, we also finally heard the AAOW was deferring to the Region's decisions on this (I'm not sure if that means he talked to Chris, or he just doesn't have time to think about it), and I want to make sure we have a copy of the document to be able to answer questions if they pop up next week.

Thanks

Chris Hunter
